KOLKATA, DEC 17/--/ With a vision to enhance employability and to upskill employable youth, Genius Foundation, the CSR arm of the leading human resources organization, Genius Consultants Ltd has collaborated with the Electronic Sector Skills Council of India (ESSCI). Under this collaboration training and coaching for the development of skills amongst various employable workers will be imparted. To initiate this endeavor an MoU has been signed by Genius Consultants Ltd and ESSCI at the

inauguration of the Training & Entrepreneurship Development Training Programme in the honorary presence of RP Yadav, Chairman & Managing Director, Genius Consultants Ltd., Piyush Chakraborty, Vice President, ESSCI, and Abhijit Chatterjee, Chairman, Ascensive Group of Companies.

During the programme, the MoU signing was followed by encouraging speeches from the Guest of Honour, Mr. Amitabh Rai, DGM & Circle Head, PNB Bank, and RP Yadav, CMD, Genius Consultants Ltd. The event witnessed engaging panel discussions, shedding light on topics like empowering micro-entrepreneurship and leveraging CSR activities for enhancing livelihoods, skills, and promotion and more.

As part of this collaboration, Genius Consultants Ltd. will fund to set up training centres across West Bengal to train them for sustainable livelihood generation and to encourage them to become entrepreneurs. The training programme shall be executed by one of the best training providers in Eastern India, Ascensive Educare Limited. They will be lending their assistance in recruiting these workers as per requirement. Training will be imparted in various technical fields such as mechanics, computers, electrical, automotive and many more. To make this initiative successful Genius Consultants will be deploying Rs. 20 lakh to help upskill various workers registered under NSDC. They will also be setting up a designated team that will be identifying and helping many such workers who may benefit from these training programmes.

RP Yadav, CMD, Genius Consultants Ltd., said, "We are extremely elated to announce our partnership with ESSCI working toward sustainable employment generation and inclusive growth. We will be facilitating various training programmes that are in demand and help people to be industry ready or start their own business."

He further added, "We truly believe that, with proper training, guidance, and skill development, we can make a huge impact and improve the livelihoods of numerous people. By providing skills, we not only empower workers but are also strengthening the structure and foundation of our economy by increasing productive and employable work force to make India self-reliant."
