Mumbai, Nov 6 (PTI) The COVID-19 pandemic aided in the exponential growth of the edtech sector that resulted in huge numbers of recruitment in the sector but experts believe that with the opening of schools, this upward trajectory is likely to consolidate.

The pandemic has drastically changed the way of teaching and learning, and the funding for ed-tech has remained bullish leading to the adoption of advanced technology, growth in both revenue as well as hiring, CIEL HR Services Director and CEO Aditya Mishra told PTI.
