The screenshot shows the Tezzbuzz website interface. At the top, there is a navigation menu with categories like HOME, ENTERTAINMENT, HEALTH, LIFESTYLE, NATIONAL, OFFBEAT, SPORTS, TECHNOLOGY, and MORE. Below the menu, there is a breaking news banner. The main article is titled "4 Days Working Week | Large number of companies agree to 3 vacations per week; But work so many hours, read what the survey says". The article text begins with "More than 60 percent of employers believe that the new four-day workday system will improve job satisfaction and balance work and life. While the four working week week for employees around the world is rapidly increasing with the adoption of the system, most employers in India also feel that the system will help reduce stress."
