77 pc cos believe startups aiding employment scenario in India: Report

PTI | Jan 20, 2022, 18:26 IST

Mumbai, Jan 20 (PTI) With India being one of the largest hubs for startups in the world, a survey has revealed that 77 per cent of respondents believe these new-age firms have a positive role in boosting the employment scenario in the country. According to the survey by human resource solutions organisation Genius Consultants, over 77 per cent of respondents agree that the startup space has a positive role in aiding the transformation of the employment scenario in India.
